

GENERAL BUDGET PROVISIONS

SECTION 5. As used herein, "E/P" or equivalent personnel, is the decimal equivalent of a full-time position. A full-time position is equal to 2,080 scheduled hours of work during the fiscal year. All positions are computed as an equivalent of 2,080 scheduled hours of work or 1.0 E/P equals 2,080 hours. This method of computing the number of authorized personnel in a department or program shall not be construed to grant to an incumbent in a position any permanence beyond that already provided by law or collective bargaining contract. All positions shall be identified by an equivalent personnel designation. Disbursement shall be limited to the total number E/P identified in a program appropriation. Any transfer of E/Ps from one program to another shall be approved by the County Council. As used herein, "LTA" or Limited Term Appointment means an appointment which is made from an eligible list or through a non-competitive promotion, transfer or demotion for a specified temporary period.

SECTION 6. Appropriations for salaries and premium pay may be disbursed within the pertinent office, department, agency or program for the following: (1) a temporary position to functionally replace a permanent employee who is on long-term sick or disability leave, or who has been temporarily assigned to replace a permanent employee who is on long-term sick or disability leave; provided that disbursement shall be limited in duration to the sick or disability leave of the permanent employee who is on long-term sick or disability leave; and, provided, that disbursement shall end when the permanent employee terminates County employment and the permanent position is subsequently filled; and (2) a temporary position to be filled by a permanent employee who is deemed to have a long-term temporary disability, and who is certified by a doctor of medicine to be able to perform the duties of the temporary position; provided that disbursement shall end when the permanent employee vacates the temporary position; and (3) trainee positions for which there is an existing or anticipated vacancy for which hiring and replacing is critical to continued operations, provided, that funds are available; and (4) a temporary position to functionally replace a permanent or probationary employee who has been called to active duty in the United States Armed Forces or who has been temporarily assigned to replace a permanent or probationary employee who has been called to active duty in the United States Armed Forces; provided that disbursement shall be limited in duration to the period of the employee's active duty status in the United States Armed Forces; and, provided, that disbursement shall end when the permanent or probationary employee terminates County employment and the permanent or probationary position is subsequently filled.

SECTION 7. Unless otherwise provided herein, appropriations for each program may be disbursed for salaries, premium pay, reallocation pay, operations and equipment within the office, department, or agency for which the appropriation is made. Disbursements for salaries, premium pay and reallocation pay shall include temporary assignments pay, overtime pay, night differential pay, hazardous pay, standby pay and emergency call back pay, and for reallocations and reclassifications. Funds shall not be disbursed for reallocations and reclassifications which involve a change in supervisory duties and responsibilities until the County Council receives written notice setting forth: (1) an explanation of the reasons for the change, and (2) organizational charts showing the existing organization and the proposed organization of the department with the positions involved. The County Council shall receive notice of any reallocation or reclassification when a position is transferred from the blue collar compensation plan, white collar non-professional compensation plan, white collar professional compensation plan, uniformed fire compensation plan, or uniformed police compensation plan to a different compensation plan. The County Council shall receive notice of any temporary assignment, temporary transfer and temporary reallocation that is expected to be in effect for more than thirty (30) days with an explanation of the action. Receipt of said written notices by the County Clerk shall constitute receipt by the County Council.

In the event there are monies in any County fund that, in the judgment of the Director of Finance, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where in the judgment of the Director of Finance, such action will not impede the necessary or desirable financial operation of the County, the Director of Finance may make temporary transfers or loans therefrom without interest to the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund. The amount of such temporary transfers or loans shall not exceed the amount of general obligation bonds or notes authorized but not issued. At any time the aggregate amount of such transfers and loans which shall be unreimbursed shall not exceed \$30,000,000. Monies transferred or loaned shall be expended only for appropriations from the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund which are specified to be financed from the sale of general obligation bonds or notes. The fund from which transfers or loans are made shall be reimbursed by the Director of Finance from the proceeds of the sale of general obligation bonds or notes upon the eventual issuance and sale of such bonds or notes. Within 30 days after each transfer or loan, the Director of Finance shall report to the County Council on: (1) the amount of transfer or loan requirement; (2) the reason or justification for the transfer or loan; (3) the source of funding to reimburse or repay the transfer or loan; and (4) the time schedule proposed for reimbursement or repayment of the transfer or loan. At the close of each quarter, the Director of Finance shall submit to the County Council a Combined Statement of Cash Receipts and Disbursements showing for each month for each individual fund the cash balance at the start of the accounting period, the cash receipts and disbursements during the period, and the cash balance at the end of the period. Within thirty (30) days after the close of each quarter, the Director of Finance shall submit a separate report showing the accumulated balance of any fund or account which exceeds \$100,000, and which would be available for appropriation upon certification by the Mayor.

SECTION 18. The Director of Finance is hereby authorized to establish appropriate individual and separate accounts for receipts and expenditures except as otherwise provided herein.

SECTION 19. The Director of Finance is further authorized to establish accounts for items of receipt and expenditures for the departments, agencies, or divisions as required by law in order to establish accounting and financial procedures under utility and other enterprise fund accounting.

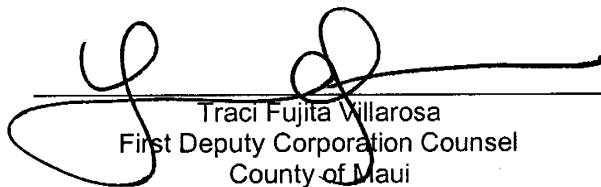

SECTION 20. Whoever intentionally or knowingly violates this ordinance shall be fined not more than \$1,000 or imprisoned not more than thirty (30) days or both.

SECTION 21. If any appropriation set forth in this ordinance is held invalid by a court of competent jurisdiction, the self insurance fund appropriation shall be adjusted to the extent necessary to maintain the equality of estimated revenues, proposed expenditures and total appropriations, as required by Section 9-5 of the Revised Charter of the County of Maui (1983), as amended.

SECTION 22. If any provision of this ordinance, or the application thereof to any person or circumstance, is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are severable.

SECTION 23. This ordinance shall take effect on July 1, 2006.
